Sabino High School

Instrumental Music Program Sponsorship Package

Sabino High School, Tucson AZ

Be a Part of a Nationally Recognized, Award-Winning Music Program

Since 1972 Sabino High School Instrumental Music Program has been important in the lives of our high school students. For more than 40 years, we have nurtured and supported students through excellence not only in music, but in academics and community involvement.

Operating a successful, long-running music program takes the effort, hard work and financial contributions of may people. Our music program is lucky to have the support and hard work of SIMBA, the Sabino Instrumental Music Boosters Association as well as the families and friends of our students, but we are always in need of additional financialbacking from our corporate partners.

When you partner with the Sabino High School Music Program, you partner with individuals who strive for excellence both in music and in life.

Support the Sabino Instrumental Music Boosters Association (SIMBA)

Supporting SIMBA helps students develop all aspects of their lives. Teamwork, leadership, communication, and problem-solving are all skills students develop while participating in music, and all are attributes that they will use later in life.

With state funding being cut to high school fine arts, your support allows students to experience all the music program has to offer.

Our goal is to provide a place for any student who is determined to create high-quality music while representing Sabino at the state and national levels.

The Sabino High School Band and Orchestra appreciate your support! The hard working students in our program do so much to add to the culture at Sabino High School and to benefit our community. Most importantly this program shapes them into the people they will become and prepares them for life outside of school in more ways than just about any other activity here on campus. I hope you'll support us as our program grows and takes on new challenges!

Mr. Saul Garland
Director of
Instrumental Music
Sabino High School

Your contributions go toward:

- Instruments
- Uniforms
- Meals
- Transportation
